Note: You will need to practice supervision or work in a supervisory capacity during the course, and to have started your supervision practice placement by the third course weekend. Failure to begin by this date will mean that extra “supervision of supervision” sessions with one of the tutors will need to be negotiated for after the course ends. The supervision placement or work should preferably be arranged prior to the start of the course. The Minster Centre can assist students in obtaining practice placements. For further information regarding supervision practice requirements please email [info@minstercentre.org.uk](mailto:info@minstercentre.org.uk) with ‘Supervision Diploma’ in the subject line.
